---

* Fortifications have been erected at the following points. San Francisco Harbor: Fort Point and Alcatraces Island; Mouth of the Columbia River: Forts Stevens and Cape Disappointment. Batteries have also been erected at Point San Jose and Angel Island, San Francisco Harbor.

NOTE.—Under the act of July 28, 1866, the Regular Army now comprises ten regiments of cavalry, five regiments of artillery, and forty-five regiments of infantry; making an aggregate maximum strength of seventy-five thousand three hundred and eighty-two rank and file. Its present strength is fifty-four thousand three hundred and two. In addition to this force there are eleven thousand volunteers, white and colored, still remaining in service.
