Be sure and tell advertisers when you call that you saw their announcement in the Buyer's Guide. Advertising in the Buyer's Guide pays big dividends to those who use it.

THE BEST RESULTS

are attained in a telephone conversation by talking slowly and distinctly with lips close to but not touching the mouthpiece.

"Let's See—Who Carries It?"

Whether it is a nationally-advertised product, or a simple local service, look for it in the "Buyer's Guide"!

Those useful pages of telephone information will save you time and energy.
