THIS TAKES THE CAKE
To split layer cake, or slice an angel food cake, "saw" through it with silk or nylon thread.

PLEASE LISTEN
FOR THE DIAL TONE
BEFORE DIALING
That "dial tone," a steady hum, is the signal that the equipment is ready to receive a call. It corresponds to an operator's "Number, please?"

TO PAINT SCREENS
To paint a screen, or cover it with insect repellent, fasten a piece of old carpet to a block of wood. By using this implement instead of a brush, you will save lots of time and avoid lots of splattering.
