EXPLOSION IN OVEN

If you burn the inside of the oven with an exploded potato or something, soak a cloth in ammonia and let it stay on the burned places an hour or so, after which you can scrape the spots clean without harming the enamel.

When in doubt about a telephone number, please look in the telephone directory first. That helps you, helps others, and helps telephone people to do a better job for you.

Always keep Receiver On the HOOK
When you are through talking on the telephone, always see that you place the receiver back on the hook. Otherwise you may miss an important call.
