EASIEST WAY TO GET SOFT WATER
1. Pour in salt
2. Flip a switch ... that's all
That's all you do, each week or two, to get all the rain-soft water you want at every faucet, hot and cold. It's easier than dialing a phone! No hard-turning valves! Enjoy rich sudsy baths and shampoos. No more sticky bath-tub ring. Clothes wash cleaner and fluffier ... with 50% less soap or detergent. Dishes drain to a sparkle. All cleaning chores are easier! Many families buy a Permutit for a few cents a day ... and save twice that amount on soap, fuel, plumbing repairs and other items. Right now—hard water is costing you enough to pay for a Permutit. Why wait?
