WHITE SULPHUR SPRINGS.—This popular watering place is pleasantly situated in Napa Valley, about eighteen miles from Napa City, and eight miles this side of Calistoga, Springs. The Sulphur Springs is fast becoming a favorite resort not only for pleasure seekers, but also for those who would while away a few days, weeks, or months, in agreeable and pleasing recreations, free from the dust, care, and bustle incident to city life. Those who have not frequented the place recently will be surprised on their next visit at seeing the extensive improvements, consisting in part of the most elaborate arrangements and artistic adornments in both the buildings and grounds; also of the excellent provisions made in the culinary department of the establishment.

We can assure those who wish to spend a short period in pastime and recreation, that there is no place to be found on this coast that offers inducements so favorable as the White Sulphur Springs.
