**STATIONERY, WHOLESALE AND RETAIL.**

Attention is called to my extensive catalogue of American and Foreign Periodicals, for which I receive subscriptions. Permanent arrangements having been made by the United States Government for the carrying of the Mails from the Atlantic States by steamer three times a month, I am enabled to receive subscriptions at a much lower rate than formerly. The same care and attention will be paid to the forwarding of all packages, for which this establishment has gained such an enviable reputation throughout the Pacific Coast.

By special arrangements with the Publishers, I am able to receive later dates of the LEDGER, and other STORY Papers, in advance of other News Agents on the Pacific Coast; and also, with the Tribune Publishing Co., I receive the Tribune Almanac a month in advance of other dealers.

If I am running out of business all other News Dealers in this city, I can't help it. I can, and I will sell cheaper than any other house in this city.

Any Newspaper, Magazine, or Review not mentioned in my published catalogue, will be furnished to order. Orders for Books, Music, Cards, Card Pictures, and Fancy Articles, etc., filled promptly at the lowest rates. Subscriptions payable invariably in advance.

And remember, I make good all copies lost by Mail. Money at my risk, if in Registered Letters.
