The smallest to the largest job of STONE WORK executed with promptness and dispatch on the most favorable terms.

I have now opened the celebrated ALAMEDA FREESTONE QUARRY, and any person who is a Judge must pronounce it the best for building purposes in the Pacific States, and equal in durability to the celebrated Eastern Brownstone; and I am prepared to furnish this Stone for all building purposes at a price far below what it has ever been heretofore offered at. For cemetery work it defies competition.
