

**W. I. TUSTIN'S** Patent Windmills and Horse Powers.

**FACTORY:**

Cor. of Market & Beale Sts.  
SAN FRANCISCO.

Awarded the First Premium  
by the Mechanics' Institute.

These Mills are very simple in construction; the cheapest and most durable of any now in use. They embrace the latest improvements. A child can start or stop them, or set them to run at any desirable speed, by simply drawing a cord while standing on the ground. We guarantee all work.

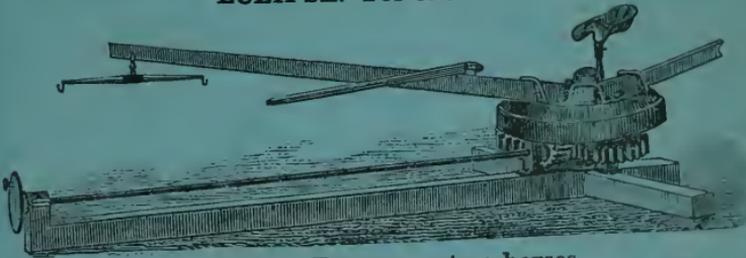

**EUREKA.**

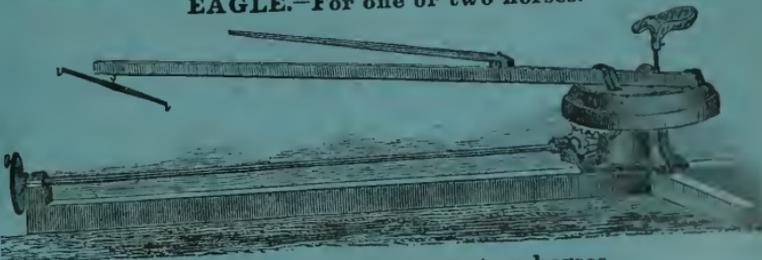

**ECONOMY.**

**ECLIPSE.—For one horse:**

**EAGLE.—For one or two horses.**

**ECONOMY.—For one or two horses.**

These Powers are complete in all their details, including every improvement and advantage that can be combined in such machines. The success which has crowned our efforts the few years past, is ample proof of their highest appreciation by the public. To our numerous patrons, for their many expressions of kindness and approval, we tender our most sincere thanks.

Respectfully,

**W. I. TUSTIN,**

Pioneer Manufacturer of above Machinery on this coast.
