Healdsburg, Sonoma Co, P O and incor-
 porated city, 16 miles northwest of Santa Rosa, is
 on the line of the San Francisco and North Pacific
 Railroad, 33 miles from the southern terminus at
 Donahue, and 72 miles from San Francisco, and is
 connected by stage and good roads with the Geysers
 and with the newly opened and rich quicksilver
 mines of Pine Flat and other localities in Sonora
 and Lake counties. The town occupies a most lovely
 site on the west side of Russian River, in the midst
 of a grove of native trees, composed of stately oaks,
 graceful firs and bright colored madroñas, to which
 the most ornamental of cultivated trees and those
 bearing fruit have been added. It is well built,
 containing numerous schools and churches, and being
 in the midst of an extensive and very fertile sec-
 tion, its permanent prosperity is assured. One
 newspaper, the *Russian River Flag*, is published
 weekly.
