

giving a very capacious harbor, of excellent anchorage, perfect safety, and great beauty. The steamers of the Goodall, Nelson & Perkins S. S. Co. make frequent connection with San Francisco and other cities of the northwest; a tri-weekly stage, carrying the mail and express, runs to Los Angeles, 130 miles; and a weekly mail stage to Fort Yuma, 180 miles distant, over a good wagon road. Much difficulty was found in supplying this city with water, and several failures in boring occurred, but now an artesian well has been completed that furnishes an abundant supply. Much pride is expressed in the two newspapers, the *Union* and the *World*, which are published both daily and weekly, and are well maintained.
