318 FRONT STREET,

SAN FRANCISCO, CAL.

STENCIL PLATES, when handsomely executed, present the cheapest and best mode of advertising that can be adopted. This is the experience of all who use them.

STENCIL PLATES OF EVERY PATTERN cut at this establishment in a style unequalled by any other workmen in California.

Merchants and others are invited to call and examine specimens in proof of the above assertion.

Orders from abroad, as well as those given in person, promptly executed and forwarded. Parties sending orders by letter are particularly requested to WRITE PLAINLY and give the EXACT SPACE THEY WISH THE LETTERS TO OCCUPY.

By close application and superior execution of work during an experience of thirteen years, Mr. TRUWORTHY has extended his business to its present proportions. His present facilities for rapid and tasteful execution of all work in his line are far superior to those of any other in this State or in the Union.

Having purchased all the late John Hall's Stencil Tools, Plates and Impressions, and everything pertaining to his business, I am prepared to furnish his customers with fac-similes of his work.
