There are three papers published in Alameda: The *Encinal*, semi-weekly, which has been published for twenty-two years; the *Argus*, semi-weekly, now in its thirteenth year; and the *Statesman*, started about a year ago.

Numerous churches and fraternal organizations have been established, and are in a flourishing condition.

A portion of the statistics above given were taken from the valuable holiday edition of the *Argus*, published December 13th.
