Monterey Coal Co.

CAPITALIZED AT \$5,000,000

SHARES FOR SALE 1,000,000

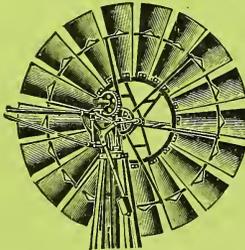

THE Company owns over 20,000 acres of coal land located in Monterey County. A Railroad is now being built to the property from Kings City. Ralph Arnold, in U. S. Geological Survey, Bulletin No. 285 says: This is a **BITUMINOUS COAL**, and "it is the best grade of coal on the Pacific Coast south of Washington." Coal has made many rich. Make it do as much for you by investing now while the stock is at par.
