

# Polytechnic College of Engineering

13th and MADISON STREETS

OAKLAND, CAL.

## The Polytechnic College of Engineering

is the most practical school of its kind in the west. It is the only technical college in California that engages in *actual engineering work*.

**PLAN AND POLICY**—to give to young men an opportunity to specialize on the essential branches of a technical course without compelling them to take the non-essential branches.

To give a more practical training and in a shorter time than our Universities can give.

Every Modern Equipment—Machine Shops, Electrical Laboratories, Steam Plant, Pattern Shops, Etc.
