

# Polytechnic College of Engineering

THIRTEENTH AND MADISON STREETS  
Oakland, California

## The Polytechnic College of Engineering

is the most practical school of its kind in the West. It is the only technical college in California that engages in actual engineering work.

**PLAN AND POLICY**—To give to young men an opportunity to specialize on the essential branches of a technical course without compelling them to take the non-essential branches.

To give a more practical training and in a shorter time than our Universities can give.

Every Modern Equipment—Machine Shops, Electrical Laboratories, Steam Plant, Pattern Shop, etc.
