

# ST. MARY'S COLLEGE

CONDUCTED BY

*The Brothers of the Christian Schools*

THE FOLLOWING DEPARTMENTS ARE SITUATED IN  
OAKLAND, CALIFORNIA:

## **Department of Arts and Letters:**

The courses include the pre-legal and the pre-medical studies. The Department is especially strong in Philosophy, Foreign Languages, English and History, and offers splendid opportunities to young men preparing themselves for professional life.

## **Department of Engineering:**

Now in the eleventh year of its active and successful existence. The efficiency of this Department is greater than ever before and the faculty was never stronger.

## **Department of Commerce:**

The latest and sanest business systems imparted according to the latest and sanest pedagogical methods.

## **High School Department:**

Four years of work along lines carefully chosen for the greatest possible good of the greatest number of students. With practically no electives and absolutely no free periods during the school day, students have an opportunity of securing the best that secondary education offers.
