## NAMES APPEARING IN BLACK LETTERS

in this Directory represent the ENERGY AND PUSH of the City, and it is a pleasure for the publishers of the Directory to have the opportunity to make the public acquainted with them through our pages. Those in BLACK LETTERS are the people who ACCOMPLISH THE WONDERS in business here and make the City what it is. They recognize and support all public necessities and things needful to improve and serve a City. They are NOT DRONES AND SPONGES who never support anything, and thereby gain by others' hard work and money. When you PATRONIZE THOSE IN BLACK LETTERS you patronize men and firms who will patronize you in the same broad manner in which you patronize them.
