

Polytechnic College of Engineering

THIRTEENTH AND MADISON STREETS
Oakland, California

The Polytechnic College of Engineering

is the most practical school of its kind in the West. It is the only technical college in California that engages in actual engineering work.

PLAN AND POLICY—To give to young men an opportunity to specialize on the essential branches of a technical course without compelling them to take the non-essential branches.

To give a more practical training and in a shorter time than our Universities can give.

Every Modern Equipment—Machine Shops, Electrical Laboratories, Steam Plant, Pattern Shop, etc.
