**Improved Disability Provision**

Claim may be made as soon as disability occurs—no probationary period.  
Payments begin immediately, on approval of claim—no probationary period.  
Monthly payments, lifelong, conditioned on permanence of disability.  
Immediate waiver of future premiums—no waiting until next anniversary.  
Full amount of insurance paid when insured dies, without deduction for disability payments or for premiums waived.

This new disability provision brings the service of America's oldest legal reserve life insurance company still closer to the needs of the insuring public.
