

Alameda County Bankers

Alameda County bankers—men who have long been active in the business life of the East Bay communities and know thoroughly their financial needs—direct the policies of the Mercantile Trust Company of California in Berkeley, Oakland, Emeryville and Albany.

And at the beck and call of the officers of our Alameda County banks are the varied, exceptional banking, trust, and investment facilities offered by a modern metropolitan bank and trust company with resources of more than \$140,000,000.
