

Your Name in the Directory—

The brief listing of your name in this directory gives an accurate account of your position in the business world. How does it compare with some of the others? Remember that your friends and business acquaintances will see it, too. Are you making your plans so that next year's directory will list your name in a finer position? ¶ In this same directory Heald graduates are listed as holding positions as accountants, stenographers, secretaries, office managers, executives. Since 1863 Heald College has consistently trained men and women for promotion. ¶ We will gladly assist you in selecting a course of study so that next year YOU can have your name listed as holding a position of greater importance in the business life of the city. You may begin at any time. Short diploma courses and Degree courses in commerce. Authorized by State of California to grant degrees.
