Terrible Suffering from Stomach Trouble Relieved by the Fong Wan Herbs

Oakland, May 31, 1929.

For a long time I suffered from Stomach Trouble on and off, but about two months ago the pain became so severe that I tossed about day and night without a minute's rest or cessation of agony. I did not believe that I should be alive at this time. Everything I ate was thrown right up. My bowels failed to function even when I took the strongest physics. I was so weakened that I did not dare to submit to an operation.

After having sought fruitlessly to obtain relief by medical aid, I came to Fong Wan. Although I did not note any improvement at the beginning, I continued with the herbs and was rewarded by being completely restored to health. I am certainly glad to testify that Fong Wan saved my life when I was at death's door.
