

Main Building, Polytechnic College of Engineering
Thirteenth and Madison Streets, Oakland, Calif.

Established in 1898—Chartered to Grant Degrees in 1911

Practical Engineering

**Electrical, Mechanical, Mining, Civil and
Architectural Engineering Courses Complete
Aeronautical Engineering and Airplane Courses**

**Auto Mechanics and Special Machine Shop Courses.
Mechanical, Electrical and Architectural Drawing.
Special Surveying and Building Estimating Courses.**

This college concentrates upon the subjects required in engineering practice and omits the non-essential subjects, thus saving the student about one-half the time required in a four-year college course.

Small classes, individual instruction, close personal contact with instructors and intensive training give students of this college special advantages in their engineering courses. Degrees Granted to all who complete full courses.

**NEW ELECTRICAL, HYDRAULIC AND STEAM LABORATORIES
EXTENSIVE SHOPS—FIELD INSTRUMENTS—MODERN EQUIPMENT**

No formal examinations as entrance requirements—an opportunity for those who must rise by their own industry. Faculty of experienced men of sound training, character and experience.

This college offers a chance to the young man who cannot spend four years in university before "getting on the pay roll." It means a saving of time and money and many are taking advantage of the splendid facilities offered here.

W. E. GIBSON, President

H. C. INGRAM, Vice-President

College in session the entire year and students admitted at any time. Free Catalogue.
