The Olympic Club.

Gymnasium and Rooms at 120 O'Farrell Street.

The Olympic is one of the best athletic clubs in the State. It was founded in 1860, and the history of the organization has been one of uninterrupted prosperity. The accommodations for members are unsurpassed. Although the building they now occupy is large and commodious, owing to the constant increase of the membership, and the consequent addition to the funds, the Club has contracted for the erection of a new building, to be owned by them, and which, when completed, will excel both in its size and appointments any similar construction in this country.

There are 17 charter, 75 life and nearly 1,600 active members.
