<h1>PRINTING</h1>	<p>WE think at the present day there is nothing so cheap as printing, but <i>cheap looking</i> printing is an eyesore, and stamps the house using it as a poor concern, poorly managed. Printing may be done cheaply and yet have a clean, tasty appearance, if executed in a well-equipped office, by first-class, practical men, and it may have a very inferior appearance if done in a poorly equipped office, with inefficient workmen. We think it would pay you to try our Printing Office, which is situated at . . . .</p>
