"THE CALIGRAPH"

AN ESTABLISHED SUCCESS

No. 3

The Standard Typewriter for practical work. Takes first place in all contests For Speed, Simplicity, Strength, Durability, Ease of Management, and Beauty of Work it has no peer.

Keeping abreast of the times, the makers of "THE CALIGRAPH" spare neither brains, effort or cash in producing the Best Typewriter on Earth, being determined that it shall continue to maintain the leading place which it has proudly held for so many years. See it before you buy. Typewriters rented for trial or use, exchanged and sold on the installment plan.
