

Why? Why should you trouble your Bookseller or Librarian to look up a book for you which you might want, when you can find all the information desired in

"Haferkorn's Handy Lists of Technical Literature?"

If you should need books on the FINE ARTS AND ARCHITECTURE, or on MINES AND MINING, on ELECTRICITY, on ENGINEERING AND MECHANICS, on MILITARY AND NAVAL SCIENCE, on USEFUL (INDUSTRIAL) ARTS, you will save time, trouble and money by purchasing the volume of the Handy Lists which contains the literature on your subject.

THE BANCROFT COMPANY, History Building, San Francisco, Cal.

Will show you the Handy Lists and take your order for single or all volumes
