

St. Hubert Tonic Port

IS the only Port in the world made from a ferruginous soil, by a process originated by Capt. J. Ch. de St. Hubert, after many years of study and experiment. This is the only Port suited to a weak, dyspeptic stomach and weakly people. It does not constipate, as ordinary Port does.

It is a Natural Restorative Of Wonderful Power

Its action is prompt and continuous. It stimulates the appetite and digestion. It promotes assimilation and a healthy circulation, AND IT ENTERS DIRECTLY INTO THE PRODUCTION OF THE BLOOD CORPUSCLES.

The most sensitive stomach will accept it. It is, in fact, a permanent cure for a weak stomach and poor digestion, dyspepsia, all conditions of debility, lack of strength and tone.
