

THE WOMAN'S EXCHANGE.

The Woman's Exchange of San Francisco was established in 1885 and is maintained as a charity for the benefit and relief of needy gentlewomen ONLY; therefore, in order to prevent misunderstanding or imposition, an imperative rule has been made that none others will be allowed to exhibit articles for sale; also, that each exhibitor must enter articles in her own name and upon her own ticket. Any violation of this rule will be considered sufficient cause for depriving the offender of the privilege of exhibiting.
