

Hotel del Monte

MONTEREY, CALIFORNIA

THE MOST MAGNIFICENT RESORT AND WATERING PLACE
IN AMERICA

Hundreds of distinguished personages of both Europe and America have been its guests, and uniformly give that as their verdict.

Its artificial excellence is enough to make it famous, but combined with its natural charms of climate, scenery and variety of delightful environment, where it is never winter or summer, or any fixed season but "all-the-year-round," and it is vastly more than famous; it is superb, wonderful, matchless.

The opportunity for pleasurable pastimes at Del Monte is simply limitless—riding, driving, wheeling, boating, bathing, hunting, fishing, etc., and especially fine golf links.

This charming resort is wholly distinct and unique; there is no basis of comparison by which its attractions can be measured. None other in the world has such a climate; none is planned on so vast and elaborate a scale, none so absolutely exempt from every annoyance and inconvenience.

It is the "Garden of Eden" transplanted to the shores of the "Western Sea."

Where a leaf never fades in the still blooming bowers,

And the bee banquets on through a whole year of flowers.

There is but one Hotel del Monte.
