Ostrich Plumes De Luxe

Our catalogue quotes prices on our de luxe grade of plumes, which are better and more beautiful than any plumes ever before shown in Los Angeles--they are simply beyond comparison, but are as cheap as common "store feathers."

We Repair and Re-make

Send your old worthless feathers and boas to us to be made over into new goods--the cost is slight.

Come to Our Broadway Store

At 324 South Broadway you will find a complete stock of all our productions.
