# OUTING SUITS

## *A Book About Them*

THE SUCCESS which has been the reward of our efforts towards making the manufacture of Outing Suits of such quality, and at the same time at such prices, as to appeal to and be within the reach of all, has been so flattering that we are issuing a handsomely illustrated catalogue of Women's Outing Goods which we take pleasure in mailing to those who favor us with a request. The object of this is to enable one to order goods from us and to have same delivered at her home without worry or trouble.

Very truly yours,
