French Laundry

Mme. Ferran

Mme. Plegat & Co.

WE have just opened to the public the largest, cleanest and most sanitary FRENCH LAUNDRY in the West. All work done here is *strictly by hand*, not any *machinery* being used. *Water* used is from our own well, therefore giving all the work a *soft, white, domestic finish*. We have engaged all our help we had before the fire and it's the best that can be procured.

☞ Special attention paid to gentlemen's clothes, laces and lace curtains.

☞ Work called for and delivered to all parts of the city. Deliveries also made to all parts of the United States.

☞ We earnestly solicit your future patronage and extend to all a cordial invitation to visit our new plant.
