FRANCIS B. GRAVESLibrarian
 Its property can never be diverted from the purposes for which it was organized
 and all of its income is devoted to advancing the Mechanics' Institute as an educa-
 tional institution.

Members of the Mechanics' Institute are entitled to all the privileges of the
 Mechanics'-Mercantile Library. Members are entitled to take out two books at a time.
 Extra books can be taken out on payment of five cents each. New fiction
 can be kept out one week, other books can be kept out two weeks, and can be
 kept out two weeks longer by giving notice of renewal. The Library now contains
 51,000 volumes and this number is being rapidly increased. A large amount of fiction
 is already on hand, as well as a great many scientific and technical works; books
 of reference, history and literature are also being added.
