

MISS UP-TO-DATE never goes without
the Checks the Traveler knows about
Wells Fargo Travelers Checks

Travelers Checks are safe, convenient, economical.

But WELLS FARGO CHECKS mean service, too.
The traveler who carries them secures title to the
assistance of the wide-spread Wells Fargo organization.

You can use them in place of cash. Railroad and
steamship companies, hotels, express companies and
others accept them without question. They cost but
a trifle—10c. for \$10—50c. for \$100.
