

THE CATACOMBS OF CYPRESS LAWN

INTERIOR VIEW OF CHAPEL

Owing to the increased demand for above ground burial, this association has decided to erect another unit to the Catacomb Building, comprising 950 crypts, which is now ready for inspection.

If you are interested in mausoleum entombment, visit Cypress Lawn and make a selection, as the most desirable locations are rapidly being engaged for future entombments.

Call or write for booklet.

PERPETUAL CARE ASSURED

Perpetual Care Fund on June 1st, 1925 amounted to \$853,543.63
