*Again the Pendulum of  
Time swings  
And we count it our 75th birthday*

Being the first dry goods store to be founded on the Pacific Coast. For all of these years we have featured French Merchandise, of high quality at the lowest possible figure for which it can be imported. In addition there are always the best American made articles. They, too, are at moderate prices for this is a Concern that appreciates not only large accounts but welcomes the smallest amount that one wishes to spend.
