If you cannot read this print distinctly by lamp or gas-light in the evening at a distance of 10 inches, you
no matter what your age, and your eyes need help. Your sight can be improved and preserved if properly
wrong idea that spectacles should be dispensed with as long as possible. If they assist the vision, use them. If
of seeing too well, so long as the print is not magnified; it should look natural size, but plain. Don't fail to
eyes tested.
