

California Collegiate Institute

FOR YOUNG LADIES.

MRS. M. B. SWEDENSTIERNA, Principal.
 Nos. 58 to 68 Silver Street, near Third.

This Institution was founded with the design of establishing on the Pacific Coast a
 SEMINARY where such advantages for a

THOROUGH AND COMPLETE EDUCATION

could be furnished as should remove all necessity or design, on the part of parents,
 to send their daughters to an Eastern School.

One of the features of the Institute is a course of CALISTHENICS, or such
 Gymnastic Exercises as are adapted to females.

The various kinds of NEEDLE-WORK, plain and ornamental, together with
 EMBROIDERY, are also taught, if desired.
