

# WASHINGTON MARKET.

THIS, the most extensive **MARKET**, and one of the features of our commercial metropolis, is located in the immediate vicinity of the great thoroughfare, **MONTGOMERY STREET**. It can be approached from Washington, Sansom and Merchant Streets, upon which it has a frontage of 95, 80 and 177½ feet respectively, with a depth of 120 feet. Few enterprises in San Francisco have been conducted with a greater success than this Market, and its popularity must continue to increase so long as its management is intrusted to the same energetic and enterprising gentlemen who have so ably conducted it from its first opening to the present time.

**E. JACOB CHASE,**  
Superintendent.

**HENRY F. WILLIAMS & CO.**  
Proprietors.
