THE CONNECTICUT GENERAL LIFE INSURANCE CO. OF HARTFORD, CONN.

Authorized Capital, - \$1,000,000

Paid up Capital, - - - 500,000

With a large surplus rapidly increasing, securely invested.

This Company offers Life Assurance upon all the plans of Life and Endowment Policies with the non-forfeiting features. The stock rates are reduced so as to furnish insurance at as low cost as experience proves it can be afforded by mutual companies—the difference in rates constituting a dividend of from forty to sixty per cent., PAID IN ADVANCE.

The MUTUAL rates are the same as those of other first class Companies,
The SECURITY offered by this Company is unsurpassed—the Paid-up Capital being larger than that of any other Company in the United States.
