

JAMES G. STEELE & CO.

MANUFACTURING AND IMPORTING

CHEMISTS,

Beg leave to inform the medical profession and the trade that they have lately increased their facilities, and are now prepared to make in any quantity, various

OFFICINAL AND NON-OFFICINAL PREPARATIONS,

SUCH AS

**Elixirs, Fluid Extracts, Syrups, Tinctures, Ointments, Mineral Waters, Pills
and Pill Masses, Troches, Tooth Washes and Powders,
Plasters Spread and in Rolls, etc.**

Messrs. Steele & Co. import from Eastern and European markets, and keep constantly in stock, Rare Chemicals, Selected Drugs, Pure Essential Oils, English Extracts, and the various proprietary articles, both American and Foreign, and by continually renewing their stock, present to the notice of the trade an assortment of pure and fresh articles not to be found in ordinary stores.

Messrs. Steele & Co. make a specialty of manufacturing Mineral Waters, to which the attention of Physicians is invited. These waters are identical in composition with those produced at the Springs, possess their usual saline qualities, have a lively effervescence, and are quite agreeable to the taste. Constantly on hand Vichy, Kissengen, Seltzer and Carlsbad Waters, for sale by the bottle and by the dozen.

Physicians and others at a distance ordering goods from us, can depend upon having their orders filled with the same regard to quality and price, as though obtained in person, and we feel confident of giving satisfaction in every case.
