Gold Hill,

STOREY COUNTY,

Is an incorporated mining town, situated so near to Virginia, that the two places are fast merging into one. The town is a busy thriving place, such as prosperous mining towns are wont to be. One half of the celebrated silver-producing Comstock lodes is within its municipal limits, and Gold Canyon contains the works of some of the most noted silver mines in the world. There are upwards of 7,000 inhabitants in Gold Hill, and everything in and about the place indicates a stirring and thriving community.
