INDEPENDENT ORDER OF GOOD TEMPLARS.—Grand Lodge organized May 29, 1860. Jurisdiction embraces the States of California and Nevada, and Territories of Utah, Idaho, New Mexico, and Japan.

Number of working Lodges, three hundred. Total membership, about ten thousand. Office of the Grand Worthy Secretary, Sacramento.

This Order sustains the Good Templars' Home for Orphans, located at Vallejo, California. The buildings, which are capacious, elegant and comfortable, were erected in 1869, by the Good Templars of California and Nevada. The Home was opened for the reception of orphan children, October 1, 1870, and is now occupied by eighty-four children, who are receiving shelter and education beneath its roof. \$40,000 has been expended in its erection, and about \$90,000 in support of its inmates. It is in a complete and exact sense a public charity, openly inviting the homeless from all portions of the States of California and Nevada, to share in its beneficence. It derives its name from the fact of its erection by the Good Templars and its support by that Order. It is also under the control of the Grand Lodge of the Order, but its title is not meant to convey any idea of exclusiveness as to the class admitted to its sheltering offices. To be a homeless orphan is the only passport required at its portals.

It has a front of fifty-three feet, and runs through to Morton street, a depth of one hundred and twenty feet. The first floor and basement are arranged for business purposes. The second floor contains the main exhibition hall, with a seating capacity of about eleven hundred, the offices of the association occupying the third floor. Ground for its construction was broken April 7, 1878, and the building was formally opened November 7, 1878. The cost of the structure exclusive of the lot was \$50,000. The whole property being valued at \$150,000.

The crowning feature in the work of this association has been and is their maintenance of the Home for the Care of Inebriates. Five out of the nine Trustees of the Home are elected from the Dashaways, the remaining four being chosen by those five from citizens outside of the Association. The Home is the official receptacle for all insane patients, pending their examination and commitment to the asylums, for which service the city donates the Home certain police court fines, about \$200 per month being realized from this source, which, with donations and receipts from paying patients constitutes its income.
