Number of working Lodges, three hundred and seventy-five. Total membership, about nineteen thousand. George B. Katzenstein Grand Worthy Secretary, Sacramento.

This Order sustains the Good Templars' Home for Orphans, located at Vallejo, California. The buildings, which are capacious, elegant and comfortable, were erected in 1869, by the Good Templars of California and Nevada. The Home was opened for the reception of orphan children, October 1, 1870, and is now occupied by one hundred and thirty children, who are receiving shelter and education beneath its roof. \$45,000 has been expended in its erection, and about \$200,000 in support of its inmates. It is in a complete and exact sense a public charity, openly inviting the homeless from all portions of the States of California and Nevada, to share in its beneficences. It derives its name from the fact of its erection by the Good Templars and its support by that Order. It is also under the control of the Grand Lodge of the Order, but its title is not meant to convey any idea of exclusiveness as to the class admitted to its sheltering offices. To be a homeless orphan is the only passport required at its portals. In connection with this society, and sustained by them, are Bands of Hope, composed of children under twelve years of age, who are supplied with rituals and badges free. These organizations now number in the State about fourteen thousand children.
