Any woman who is poor and sick is entitled to share its benefits. It is a general hospital for all diseases, and for lying-in; also, a home for foundlings and abandoned children. There have been a very large number of outside patients treated, the physician and surgeon being in attendance every morning from ten to eleven o'clock to treat any poor persons who may come. It was supported by voluntary contributions until 1870, when the State appropriated \$5,000 a year for its support. In 1879 the appropriation was reduced to \$3,000.
