per barrel

Our **Wire Mills** have a capacity of 10,000 tons of Wire, and as we draw our own Wire from the best Steel Wire Rods we guarantee quality.

Our **Barbed Fence Works** are fully equipped to meet the demands on this Coast, and we usually keep a stock of 10,000 Spools on hand. Trade Mark "Pacific."

Our **Nail Works** have the latest improved nail machines, and we turn out 300 kegs daily. Trade Mark "Pacific."

The **Wire Rope Factory** comprises the latest improved machinery, and we can refer to the various Cable Railways and Mining Companies as to the the quality of our rope.

Our Works cover 2½ acres closely built over and are complete in every respect.

We solicit your orders, which will receive prompt and careful attention.
