**FOR FIFTEEN YEARS THE STANDARD,**  
And Constantly Improving.

The embodiment of the most valuable Typewriter improvements of recent years,  
and Far Superior to all others in the Great Essentials of

**SPEED, DURABILITY AND EASE OF MANIPULATION.**

It is sometimes only after unsatisfactory experience with inferior  
and experimental machines that the REMINGTON is adopted and success  
attained. A great saving may thus be effected by securing the

**Standard Typewriter as the First and Only Investment Required.**

Recent improvements are fully appreciated by expert operators.  
Call and put our machines to a practical test.
