TERRACE BATHS, ALAMEDA.

Old and reliable resort, everything about the place put in first-class condition, and under the former management of C. A. Edson, who gives his personal attention to patrons. H. L. Clark is in charge of a large class of beginners and is an excellent instructor.

Hot Salt Porcelain Tub Baths are a great feature of the establishment, in fact everything that the most fastidious could wish may be found at the "Terrace." The water is not filtered, but

COMES PURE AND SPARKLING FROM NATURE'S RESERVOIR.

A large enclosure has been constructed and the water is held at low tide, so you are always sure of a bath, surf bathing is also indulged in at high tide, so one has the choice, either tank or outside surf.

30 minutes from San Francisco, by Narrow-Gauge R. R., to Webster street station in front of premises, or by Broad-Gauge R. R. to Mastick Station, Alameda.
